

Are you living with metastatic non-small cell lung cancer (NSCLC)?

Consider joining a research study

We are looking for people who:

- are 18 years of age or older
- have RAS-mutant NSCLC that:
 - is locally advanced or has spread (metastatic)
 - has grown or spread while on previous treatment
 - cannot be removed through surgery or radiation therapy.

Please speak with your doctor to see if you may be able to take part.
